THE VICE PRESIDENT
WASHINGTON

February 28, 1986

The Honorable William Casey
Director
Central Intelligence Agency
Langley, Virginia 20013

Dear Bill:

Please find attached a performance evaluation on [redacted] as requested by the Agency. However, this report would not be complete without my personally expressing to you how valuable Bob's contributions have been. When we initiated our program to further involve the intelligence community in our national effort to stem the flow of illicit drugs, I was confident that significant contributions by the CIA were possible and I have not been disappointed. Bob has played a pivotal role in that success through his effective liaison with the two, and at times three, NSA employees and the four DoD intelligence personnel assigned to our nation-wide network of NNBIS regional offices. I look forward to Bob's continued assistance in this nations vital effort to combat drug trafficking and I very much appreciate your strong support of our program.

Sincerely,

George Bush
